Dear Colleague

Re: Grant application 2023-24

I enclose a grant application together with the required documents.

We are extremely appreciative of the Council's generosity and support of our service which, in turn, enables us to support the people of Dawlish with the problems they face.

I would, as always, very much welcome the opportunity to present some information about our service to Dawlish residents to the Town Council if this would be of interest.

I look forward to hearing from you in due course.

Yours sincerely
