

CIVIC AMENITIES COMMITTEE

DATE: 25th May 2023
REPORT OF: Waterfowl Wardens/Events, Projects and Tourism Officer
SUBJECT: Notice Board - Barton Car Park

PART I

Recommendation:

To consider and decide whether to ask the Chamber of Trade and Commerce to work with the Town Council on replacing the content of the board in Barton Car Park.

1. BACKGROUND

The board is in a poor state and is owned by the District Council. It used to be updated by staff in the old Tourist Information Centre, but a key is held by the Town Council. The Council works with the Chamber of Trade on the information on the two large boards on the Lawn and this potentially could be a partnership opportunity.

Angie Weatherhead, Events, Projects & Tourism Officer
